

Veterans Bricks for Sale

For their service to their country, many United States veterans do not receive enough recognition. This is to offer you an opportunity to honor a veteran or provide a memorial to one. The Palmyra Area Community Betterment organization will be selling bricks to recognize Veterans. Those bricks will be placed in a special patio located at the Marion County Courthouse in Palmyra.

A typical brick might include the veterans name, war he or she served in and dates of service and/ or birth/ death dates. It could possibly include a short quote or special saying as well.

Cost for each brick is \$150 with proceeds going to the Palmyra Community Investment Plan for Downtown Improvement.

Return this form along with payment to PACB, P.O. Box 455, Palmyra, Mo. 63461
